

ELECTRONICON Kondensatoren GmbH
Gera / Germany,

in its capacity as Supplier, authorizes

PRIME TECHNOLOGIES

PATRIJS WEG #9
WILLEMSTAD, CURACAO
NETHERLANDS ANTILLES

to market and distribute the following products of the Supplier within the territory of the Netherlands Antilles:

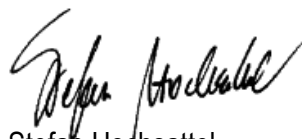

Capacitors and components for power factor correction

The Supplier will provide full technical and commercial support for Prime Technologies in their zeal to market the a.m. products in the territory.

The supplier will not himself sell the products to customers acquired by Prime Technologies within the territory unless the express consent of Prime Technologies in writing has been obtained or Prime Technologies requested for direct delivery and invoicing to a third party.

This letter shall be valid for 2 years from date of issue. It shall be automatically prolonged by 6 months at a time unless terminated by the Supplier giving one month's notice towards the end of a calendar year.

Gera, 10.09.2009

Stefan Hochsattel
Director of Sales & Marketing
