PRIME TECHNOLOGIES

Attn: Mr. Rudolph Haynes
Patrij weg: #9
Willemstad, Curacao,
Netherland Antilles

This is to certify that:

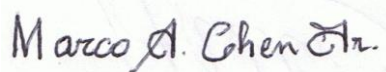

(1) FARAGAUSS SYSTEMS is a world-class, state-of-the-art, innovative company in the field of magnetoactive grounding systems, polarization-based lightning protection, and polarization-based cathodic protection, with plant in San Luis Potosí and distribution warehouses in Guadalajara, Mexico.

(2) INNOVACIÓN Y CONFIABILIDAD, S. A. with offices in Panama City, Republic of Panama, represents FARAGAUSS SYSTEMS in Central America, The Caribbean, and South America.

(3) PRIME TECHNOLOGIES is authorized by INNOVACIÓN Y CONFIABILIDAD, S. A. to represent and commercialize - in Netherland Antilles - our lines of products.

(4) PRIME TECHNOLOGIES has been doing business with us for over a year and receives our full support in regards to technical matters, product delivery, and warranty.

We are pleased to conduct such business with PRIME TECHNOLOGIES and will gladly answer any questions regarding our relationship.
